### FOOD ALLERGENS & INTOLERANCES:

Our menus and packaging clearly identify where allergens are present in our dishes and products made on site. On a daily basis we prepare food using a range of ingredients where one or more of the 14 allergens may be present. Whilst we will take every reasonable precaution to reduce the risk to our customers,

where the risk cannot be fully negated then advisory information of "may contain" will be communicated. Where you may be unsure, before selecting your food and drinks, please speak to our Allergen Guru or Chef / Catering Manager for more information about the allergens which may be present.

To the best of our ability, this is a nut free school. We do not intentionally use any products that contains nuts or nut derivatives within our school menus. However, we cannot guarantee that all of our food ingredients have been prepared in a nut free environment.
