

Year 11 Revision Schedule 2024_25

Subject/Course:	GCSE Geography Edexcel B
Student Name:	GCSE Year 11 students

		Topic	Key knowledge/skills/questions	Resources/activities/links
Week 1	Monday 13 January 2025	Hazardous Earth	Climate Change: <ul style="list-style-type: none"> Global Atmospheric Circulation Model Past climate change and natural causes of climate change Global climate change 	<ol style="list-style-type: none"> 1. Practise short mark questions using past questions on the edexcel website 2. Work through pages 1-3 in the workbook 3. Work though the pods and make notes on each: GCSEPod
Week 2	Monday 20 January 2025	Hazardous Earth	Tropical Cyclones: <ul style="list-style-type: none"> Causes of tropical cyclones Impacts of tropical cyclones Preparation and response <p>Case Studies: Typhoon Haiyan (LIC) Hurricane Katrina (HIC) Must know the following for each case study:</p> <ul style="list-style-type: none"> Causes Impacts (Primary and secondary) Responses (Long and short term) 	<ol style="list-style-type: none"> 1. Practise short mark questions using past questions on the edexcel website 2. Work through pages 4-8 in the workbook 3. Practise 8 mark questions using past papers from the edexcel website 4. Create case study cards for each case study and ask parents to test you

Week 3	Monday 27 January 2025	Hazardous Earth	<p>Tectonics:</p> <ul style="list-style-type: none"> • Earth structure • Plate boundaries • Impacts and management of tectonic hazards <p>Case Studies: Japanese Earthquake (HIC) Haiti Earthquake (LIC) Must know the following for each case study:</p> <ul style="list-style-type: none"> • Causes • Impacts (Primary and secondary) • Responses (Long and short term) 	<ol style="list-style-type: none"> 1. Practise short mark questions using past questions on the edexcel website 2. Work through pages 9-15 in the workbook 3. Practise 8 mark questions using past papers from the edexcel website 4. Create case study cards for each case study and ask parents to test you
Week 4	Monday 3 February	Fieldwork – Human	<ul style="list-style-type: none"> • Creating enquiry questions • Why certain locations are chosen for an investigation • Identify, describe and explain different types of sampling • How to describe data • How to analyse data • How to evaluate data • How to draw conclusions from data 	<ol style="list-style-type: none"> 1. Blank page retrieval and identify weaknesses. Use revision guide and GCSE pods to close the knowledge gaps 2. Work through past questions on the edexcel website 3. Work through pages 77-79 in your workbook
Week 5	Half Term Monday 10 February	Challenges of an Urbanising World	<ul style="list-style-type: none"> • Global Urbanising Trends • Reasons for Urbanisation • Cities Change over time 	<ol style="list-style-type: none"> 1. Work through pages to 26-30 in the workbook 2. Work though the pods and make notes on each: GCSEPod 3. Ask your parents to test you on your key words list
Week 6	Half Term Monday 17 February	Challenges of an Urbanising World	<ul style="list-style-type: none"> • Global Urbanising Trends • Reasons for Urbanisation • Cities Change over time 	<ol style="list-style-type: none"> 4. Work through pages to 26-30 in the workbook 5. Work though the pods and make notes on each: GCSEPod 6. Ask your parents to test you on your key words list

Week 7	Monday 24 February	Challenges of an Urbanising World	Case Study – Mumbai <ul style="list-style-type: none"> • The location and content of Mumbai • Growth of Mumbai • Opportunities and Challenges for people in Mumbai • Strategies to improve quality of life 	<ol style="list-style-type: none"> 1. Create flash cards to show specific case study information 2. Practise 8 mark questions using past papers from the edexcel website 3. Work through pages 31-35 in the workbook
Week 8	Monday 3 March	The UK Physical Landscape	<ul style="list-style-type: none"> • Processes that have influenced the physical landscape • Creation of distinctive landscapes 	<ol style="list-style-type: none"> 1. Work through pages 37-41 in the workbook 2. Work through the pods and make notes on each: GCSEPod
Week 9	Monday 10 March	Coasts	<ul style="list-style-type: none"> • Coastal Landscapes • Coastal Processes • Modification of coastal landscapes • Challenges along coastlines and management options 	<ol style="list-style-type: none"> 1. Work through pages 42-50 in the workbook 2. Create flash cards for key words and ask parents to test you <ol style="list-style-type: none"> 1. Using the pods, create a mind map GCSEPod
Week 10	Monday 17 March	Rivers	<ul style="list-style-type: none"> • River Landscapes • Human activity and physical processes • River management 	<ol style="list-style-type: none"> 2. Work through pages 54-63 in the workbook 3. Create flash cards for key words and ask parents to test you 4. Using the pods, create a mind map GCSEPod
Week 11	Monday 24 March	UK Evolving Human Landscape	<ul style="list-style-type: none"> • The UK Human Landscape • The UK and the wider World 	<ol style="list-style-type: none"> 1. Work through pages 67-70 in the workbook 2. Using the pods, create a mind map GCSEPod
Week 12	Monday 31 March	UK Evolving Human Landscape	Case Study – London <ul style="list-style-type: none"> • Location and content of London • Changes in employment, services and migration • Challenges and opportunities in London 	<ol style="list-style-type: none"> 1. Create flash cards to show specific case study information 2. Practise 8 mark questions using past papers from the edexcel website

			<ul style="list-style-type: none"> • Improvements in London • London and rural areas • Challenges and opportunities in rural areas 	<ol style="list-style-type: none"> 3. Work through pages 71-76 in the workbook
Week 13	Easter Monday 7 April	Development Dynamics	<ul style="list-style-type: none"> • Measuring Development • Development and Population • Cause of inequality in Development • What's holding Malawi Back? • How do countries develop? <ul style="list-style-type: none"> ○ Rostow's Theory ○ Franks Dependency Theory • How does globalisation influence development? 	<ol style="list-style-type: none"> 1. Blank page retrieval and identify weaknesses. Use revision guide and GCSE pods to close the knowledge gaps 2. Work through past questions on the edexcel website
Week 14	Easter Monday 14 April	Development Dynamics	<p>Case Study – India</p> <ul style="list-style-type: none"> • India's growth and its significance • Cause of rapid globalisation and it's impacts in India • How TNCs operate in India • Impacts of change in India • Unequal development <ul style="list-style-type: none"> ○ Maharashtra – Urban Core ○ Bihar – Rural Periphery • Top Down and Bottom-Up Development Strategies <ul style="list-style-type: none"> ○ The Narmada River Scheme ○ Biogas • Challenges facing India • How is India's role changing in the global community 	<ol style="list-style-type: none"> 1. Work through past 8 mark questions on the edexcel website and write a detailed plan for each. 2. Ask parents to test you on key evidence for each case study.
Week 15	Monday 21 April	Fieldwork – Physical	<ul style="list-style-type: none"> • Creating enquiry questions • Why certain locations are chosen for an investigation • How primary and secondary data is collected 	<ol style="list-style-type: none"> 1. Blank page retrieval and identify weaknesses. Use revision guide and GCSE pods to close the knowledge gaps 2. Work through past questions on the edexcel website
Week 16	Monday 28 April	Hazardous Earth	<p>Climate Change:</p> <ul style="list-style-type: none"> • Global Atmospheric Circulation Model • Past climate change and natural causes of climate change 	<ol style="list-style-type: none"> 1. Work through past questions on the edexcel website. Use the marks scheme and examiners report to check your answers.

			<ul style="list-style-type: none"> • Global climate change <p>Tropical Cyclones:</p> <ul style="list-style-type: none"> • Causes of tropical cyclones • Impacts of tropical cyclones • Preparation and response <p>Tectonic Activity:</p> <ul style="list-style-type: none"> • Structure of the earth • Convection currents • Tectonic plates • Plate boundaries 	<ol style="list-style-type: none"> 2. Try to draw a picture to represent each revision subtitle
Week 17	Monday 5 May	Development Dynamics	<ul style="list-style-type: none"> • Measuring Development • Development and Population • Cause of inequality in Development • What's holding Malawi Back? • How do countries develop? <ul style="list-style-type: none"> ○ Rostow's Theory ○ Franks Dependency Theory • How does globalisation influence development? 	<ol style="list-style-type: none"> 1. Blank page retrieval and identify weaknesses. Use revision guide and GCSE pods to close the knowledge gaps 2. Work through past questions on the edexcel website
Week 18	Monday 12 May	<p>Hazardous Earth</p> <p>14th May – Geography Paper 1 Exam (PM)</p> <p>Hazardous Earth (Earthquakes - Haiti, Japan Typhoons and Hurricanes - Haiyan and Katrina)</p> <p>Development Dynamics (India)</p> <p>Challenges of an Urbanising World (Mumbai)</p>	<p>Key focus on case studies:</p> <p>Hazardous Earth</p> <ul style="list-style-type: none"> • Earthquakes (Haiti and Japan) <ul style="list-style-type: none"> ▪ Primary and Secondary Impacts ▪ Management (short term relief, long term planning, preparation and prediction) • Hurricanes/Typhoon's (Katrina and Haiyan) <ul style="list-style-type: none"> ▪ Preparation and Response 	<ol style="list-style-type: none"> 1. Work through past 8 mark questions on the edexcel website and write a detailed plan for each. 2. Ask parents to test you on key evidence for each case study.

			Development Dynamics <ul style="list-style-type: none"> • India Challenges of an Urbanising World <ul style="list-style-type: none"> • Mumbai 	
Week 19	Monday 19 May	Challenges of an Urbanising World	<ul style="list-style-type: none"> • Global Urbanising Trends Reasons for Urbanisation • Cities Change over time 	<ol style="list-style-type: none"> 1. Work through pages to 26-30 in the workbook 2. Work though the pods and make notes on each: GCSEPod 3. Ask your parents to test you on your key words list
Week 20	Monday 26 May Half Term	UK Evolving Physical Landscape	<ul style="list-style-type: none"> • Geology • Coasts • Rivers 	<ol style="list-style-type: none"> 1. Blank page retrieval and identify weaknesses. Use revision guide and GCSE pods to close the knowledge gaps 2. Using your key words sheets, ask parents to test you on your key words. 3. Turn your key words/processes and landforms into annotated images
Week 21	Monday 2 June	UK Human Landscape 6th June – Geography Paper 2 Exam (am) UK Physical Landscape (Geology, Rivers and Coasts) Investigating a UK Geographical Issue UK Evolving Human Landscape (London) Coastal Fieldwork (Isle of Sheppey) Human Fieldwork (Stratford)	<ul style="list-style-type: none"> • The UK Human Landscape • The UK and the wider World • Case Study – London • Creating enquiry questions • Why certain locations are chosen for an investigation • Identify, describe and explain different types of sampling • How to describe data • How to analyse data 	<ol style="list-style-type: none"> 1. Blank page retrieval and identify weaknesses. Use revision guide and GCSE pods to close the knowledge gaps 2. Using your key words sheets, ask parents to test you on your key words. 3. Blank page retrieval and identify weaknesses. Use revision guide and GCSE pods to close the knowledge gaps

			<ul style="list-style-type: none"> • How to evaluate data • How to draw conclusions from data 	<p>4. Using your key words sheets, ask parents to test you on your key words.</p>
Week 22	Monday 9 June	<p>12th June – Geography paper 3 Exam (am)</p> <p>People and the Biosphere Forests under Threat Consuming Energy Resources Making a Geographical Decision</p>	<ul style="list-style-type: none"> • People and the Biosphere • Forests under Threat • Consuming Energy Resources • Making a Geographical Decision 	<ol style="list-style-type: none"> 1. Work through pages 104 – 105 in the workbook 2. Blank page retrieval and identify weaknesses. Use revision guide and GCSE pods to close the knowledge gaps
Week 23	Monday 16 June
