Dear Parents/Carers

## Re: Driven By Consequences (DbyC) – Tuesday 11<sup>th</sup> March 2025

We are extremely excited to be able to offer our students in Year 12 the opportunity to take part in an immersive, educational, and interactive series of workshops designed around supporting young drivers. The programme is called 'Driven By Consequences' and is an award winning event run through the Bromley Road Safety Team, in conjunction with members of the London Fire Brigade, London Air Ambulance Service and The Metropolitan Police. The event has run successfully at Hayes for a number of years (other than a small break due to Covid) and often proves to be one of the highlights for our Year 12 students.

This will take place on Tuesday 11<sup>th</sup> March, Periods 1 – 5, with all Year 12 lessons suspended for the day to enable students to take part. Dress code for the day remains unchanged, and students should adhere to the school dress code policy.

Please Note: This is a compulsory event and all Year 12 students are expected to attend.

The series of workshops are designed to upskill our learners on the rules of the road, and to aid them in adopting safer practices when driving. In addition, the Bromley Road Safety Teams may take photos and videos throughout the day. If you do not wish your child's image to be used by them, please can you let us know.

We hope our students will find this experience enjoyable, thought provoking, and educational.

Kind regards

Mr A Allred
