10th October 2024

Dear Parent/Carer

We have now received the student photographs and Year 12 student ID cards for lanyards have been printed.

In previous years students have been able to purchase a gate fob to enter the school gate during the school day, however we have upgraded the system and students can now use special RFID cards to enter the school gates.

Entry key RFID cards can be purchased on Parent Pay for £6.00, this is non-refundable. If a student does not require an entry RFID card they are provided with a normal ID card, free of charge, to put into their lanyard, these will enable students to sign in and out of school using the school's digital system but will not operate the gate.

Please can all payments for RFID cards be made by the 16th October 2024.

Kind regards

Yours sincerely

Mr A Allred
