5th December 2024

Dear Parents and Carers

Hayes School GCSE/Vocational Certificate Collection - Formerly Year 11 Hayes Students

From 9.50 am Monday 9th December 2024 students who were formerly on roll in Year 11 at Hayes School, are able to collect their GCSE/Vocational Certificates. These will be available from the main reception in the Gadsden building. In order to collect these students will need some form of ID with their name.

Reception is open for collection from 8:30 am until 3.45 pm daily Monday to Friday. It is vitally important that these are collected as these are often needed in later life to evidence achievement, in addition the cost to replace these is high at around £50 per certificate.

I appreciate that former students may wish to send a representative to collect these, if this is the case they need to email reception@hayes.bromley.sch.uk informing them of who will be collecting this in their place and when this will happen. The person collecting these will need photographic ID in order to collect them. Please be aware that certificates will not be handed over if we do not have the authorisation from the former student.

Yours sincerely

Mr A Allred
