### Pre-exam Revision Schedule

You will no doubt be aware that a series of pre-exam revision sessions have been running as a warm-up for students prior to a large number of examinations. These sessions will continue to run as per the timetable [linked here](#) throughout the examination period and students should attend those sessions which are applicable to them.

Whilst some sessions are open to all students some are more targeted to specific groups of students. To that end we have been publishing attendance lists for each of these pre-exam revision sessions on notice boards in the Upper Street and will continue to do so. However, we will additionally publish these lists electronically on Padlet. Students should ensure they check these lists either in school or via the link that will be shared on Satchel One; this link will be updated regularly.

**Sixth Form** – We would like to remind you all of our Sixth Form Induction Days on Monday 8th July and Wednesday 10th July. Correspondence regarding these days will be sent via the 6th form team. We are proud of our Sixth Form – one of the few remaining outstanding sixth forms in the Bromley borough – and we know that for the vast majority of students, it will be the ideal place for them to continue with their studies. To our outgoing college students, we wish them well and know that they will flourish on their courses. Don't forget that a student must inform the Sixth Form team of their final intention on GCSE Results day (Thursday 22nd August 2024).

Finally, we wish to thank all of our parents and carers, for all your support over this exam period. We know what an anxiety-provoking time it can be for everyone in your household and it will have taken (and will continue to take) enormous reserves of strength to keep everyone's momentum going! We are immensely proud of the commitment that students have displayed throughout this period, but more importantly, we are incredibly proud of the young people, ready, as they are, to progress to the next stage of their education.

Yours sincerely
