Dear Parent/Carer

RE: Year 11 Parent/Carer Information Evening

I hope you are all well. It has been wonderful seeing the students apply themselves so diligently during the second mock exam period and continuing to be so determined to be successful this year. I want to take this opportunity to thank you for your ongoing support as we guide your son/daughter through the journey to their GCSEs. To give you the information you will need for the most critical stage of their year, the run up to the GCSE examinations, I wanted to take the opportunity to invite you to our Year 11 Parent/Carer Forum, which will take place on **Thursday 27th March 2025 in the main school hall from 18:00.**

During the evening we will share key information about Year 11, including:

- A timeline of events for the remainder of the school year
- Information regarding exam protocols from our Examinations Officer, Mrs Harris-Pearce
- How you can best support your child
- What support is available in school, including online resources
- Post-16 information

We will share all of the slides and information from the evening on the school website and parent Padlet after the event.

Please be aware that this is not specifically a forum to enter into detailed discussions around the needs of individual students. If it is necessary to do so, please do not hesitate to contact your child's form tutor in the first instance.

For capacity purposes in the hall, students **should not** attend this event. Key messages will be continued to be shared to the year group via assemblies and form time.
