Dear Parents/Carers

Re: Year 11 Parent Forum

Thank you to all who attended last night's Year 11 Parent Forum. I hope you found the discussions and information valuable as we work together to support your child's success this year, and it was a pleasure to see and talk to so many of you.

As mentioned during the forum, and for all those who were unable to attend last night, I'm pleased to share the Padlet link with you (below), which contains key information on subject-specific support, revision resources, and the presentation slides from the event. This resource will be regularly updated throughout the year with essential messages we are sharing with students, so I recommend bookmarking the link for future reference. This is accessible on a mobile or laptop.

Using the Padlet:

- Navigate the separate headings (You can scroll across to see all of these)
- Click on the links to PDFs or web links for the relevant headings
- Use to support your child's revision at home, view subject curriculum maps, learn how to access GCSE Pod and other online learning platforms
- Information regarding Post-16 study and various local college and 6th form open days
- Information of key dates throughout the year
- Review the slides from the information forum (18th Sept)

Once again, thank you for your continued support as we guide our students through this pivotal year.

Yours sincerely
