20th March 2025

Dear Parent/Carer

Year 12 Post-18 Destinations Information Evening

We will be holding our Year 12 Post-18 Destinations Information Evening on **Wednesday 7th May from 6.00pm - 8.00pm.**

The evening will be an opportunity to hear from a range of speakers about different routes open to students after the Sixth Form, including university, apprenticeships, employment, student finance, gap years and creation of supporting application documentation. The evening will begin with an introductory presentation in the main hall. You will then have the opportunity to select five talks to attend. There will also be time for a short Q&A at the end of each talk to gain information from the speaker to aid you in supporting your child with this important decision and process.

We have a range of organisations attending, along with some of our fantastic alumni who will share their stories.

Each student will be able to bring a maximum of one parent/carer to the event due to the capacity of the Hall and talks.

Please complete the below form to show your expression of interest by next Tuesday 25th March.

We are currently compiling our final list of speakers, based on the feedback from students. We will be in a position to share this with you after half term, along with a bookable link to secure your place at each talk.

We look forward to welcoming you to this fantastic evening where your child's next steps process will start in earnest.

Yours sincerely

Mrs K Moulton-Brady
Sixth Form Director
