Dear Parent/Carer

Re: National Literacy Trust's Annual Literacy Survey

Our school is taking part in the National Literacy Trust's annual literacy survey, and we need your help. This will help us to understand our students' attitudes to reading, writing, speaking and listening, and will help us with our curriculum design across the whole school.

All students in Years 12 and 13 have been sent a link via SatchelOne to the survey. Please could you ensure that your child completes this survey in the next couple of weeks?

If you want to log in on your child's behalf, for instance on your phone, and input their answers on their behalf, the link is [here](#).

Many thanks, as always, for your support.

Yours sincerely

Ms Alexander

Leader of Literacy Across the Curriculum
