Dear Parent/Carers

Re: UKMT Intermediate Maths Challenge

The Maths department would like to invite your child to take part in the UKMT (UK Maths Trust) Intermediate Maths Challenge. This is a nationwide competition to stimulate problem solving in Maths. Success is rewarded with a nationally recognised certificate and possible progression to further rounds of the competition.

This year's Intermediate Maths Challenge takes place after school on **Wednesday 29th January**. It is a great opportunity to challenge and extend your child's mathematics.

The cost to enter the challenge is £1.50 as applications have to be ordered from the UKMT. You can pay for this via parent pay until **Friday 17th January**.

I wish your child all the best in this year's competition.

Yours sincerely

Mr M Brown

Head of Math's
