Our school benefits from and actively contributes to a range of partnerships and we are the lead school for the Bromley Schools' Collegiate, a School Centred Initial Teacher Training (SCITT) provider for primary and secondary teacher training.

Hayes School is a high achieving, oversubscribed school, which provides excellent education for its students as well as exciting opportunities for professional and career development for staff. We are committed to equality of opportunity for all our staff. We particularly welcome applicants from ethnic minority backgrounds as they are currently under-represented on our staff body. We recognise the vital contribution that members of a diverse team make to our students' learning. The range of cultural experiences, differing viewpoints and role models this brings is essential in our Trust and we recognise the gap that would be left in our offering without these.

The school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Therefore, the successful applicant will be subject to Enhanced Disclosure and Barring Service check.

WELCOME FROM THE PRINCIPAL

Thank you for your interest in joining Hayes School. I hope that this information pack will help you to learn more about the role, our school and our students.

We are an ambitious, outward looking school with high aspirations and expectations of our students and a commitment to lifelong learning, which is shared by students and staff.

Whether you are new to working in schools, or are looking to move to gain experience and develop your career, you will be joining a friendly family of staff who are committed and supportive of each other. You will also benefit from working with wonderful students.

Having joined the school as a newly qualified teacher, almost 25 years ago, I can honestly say that this is a school in which you can grow and develop as a teacher, leader and staff member. A significant number of our staff have been here for many years and their own children attend the school as students, which is testament to our saying 'would this be good enough for my own child?'

Should you wish to arrange a visit to the school or to have an informal discussion prior to submitting your application, please do not hesitate to contact the school.

I hope you will feel that Hayes School is a school which is aligned with your personal values and that we can look forward to receiving your application.

ABOUT HAYES SCHOOL

Our School

Hayes School is a high achieving, oversubscribed and well-disciplined 11-18 co-educational school with excellent accommodation and facilities set in very attractive grounds. We provide an outstanding education for our students as well as exciting opportunities for professional and career development for staff. Our 1700 students have a desire to succeed and to learn displaying excellent attitudes and behaviour. Relationships between students and staff are very good and staff enjoy opportunities to lead and participate in a wide range of extra-curricular activities and trips. (There are over 80 clubs and over 100 trips take place every year)

In September 2022, Hayes School was judged Outstanding by Ofsted:

- "It is clear that Hayes School provides all pupils with an exceptional experience."
- "Pupils behave extremely well. They are polite, respectful of others and have excellent professional relationships with their peers and teachers".
- "Leaders and teachers have developed a consistent approach to their work in the classroom".
- "A great deal of emphasis is given to ensuring that teachers are experts in their subjects".
- "Staff were especially positive about the way their wellbeing and workload is considered by leaders".

Attainment and progress are high and above local and national averages. In 2023, students achieved considerable academic success in GCSE, A level, vocational and L1/2 qualifications. 82% of GCSE students achieved at least a Grade 4 in English and Maths, Nearly 1 in 3 grades were Grade 7-9 and students made excellent progress across a range of subjects/courses. Our Year 13 students achieved considerable success with 53% and 81% of all grades at A*-B and A*-C respectively and an average grade of Distinction - on our vocational courses.

Our Sixth Form of 500 students is heavily oversubscribed and successful. "The Sixth Form curriculum meets the needs of all students and includes a range of academic and vocational qualifications (Ofsted 2022)."

However, Hayes is not complacent. We have a relentless commitment to improvement. We judge everything we do by the standard "would this be good enough for my child?" All staff go the extra mile to provide challenge, support and opportunities for every child.

We are very proud of our school, of the opportunities we provide, and of our role in the community. We strive to build on our success creating an environment where each individual is valued: an environment that fosters tolerance and compassion, vibrant, caring relationships, life-long learning skills and a strong sense of moral purpose.

Our Facilities

Hayes School benefits from a beautiful campus comprising green spaces, trees and a variety of purpose-built teaching blocks. The School offers exceptional educational facilities, which are continually being maintained, extended and developed. We have a recently installed a purpose-built fitness suite for use by students and staff and a new, refurbished staff room.

Partnerships with local sporting clubs, Ealing Trailfinders RFC and Brunel University support our academy programmes and provide students and staff with access to high quality coaching and expertise.

Our arts provision in art, music, dance and drama is outstanding – students excel and benefit from high quality teaching and a wide range of opportunity.

All teachers and students have access to ICT to enhance teaching and learning.

The school benefits from:

- A high speed wireless network across the campus

Our students

Our students are a delight to work with. They are kind, caring and supportive of each other. We have “uncompromising aspirations” for all and encourage our young people to aim high and to live our motto “Excellence through Endeavour.” Hayes students want to do well and recognise that they need to work hard to achieve their own personal ambitions. The “Hayes Way” enables all students to demonstrate the behaviours for learning we expect and supports us in sustaining an environment where all are respected and can be safe, happy and successful.

We recognise our responsibility to prepare students for life beyond school and place equal emphasis on the development of skills and attributes as we do success in public examinations. ‘The Hayes Learner’ promotes reflective, creative, communicative, independent and collaborative students and at their heart, we expect our students to be kind, respectful, responsible, tolerant and proud.

We have a well-developed pastoral system and staff genuinely care about our students as individuals. We encourage students to participate in school life and to lead our school. There are countless opportunities to volunteer, mentor other students and participate in extra-curricular clubs, activities and educational trips and visits.

Our staff

We recognise and value the skills, knowledge and expertise of all our staff and are committed to supporting their professional development. Our newly launched Teacher Professional Growth programme supports teacher professional development within ‘teaching and learning communities’ as we model our commitment to

lifelong learning to the students we teach. In this respect, we balance the needs of the school with those of the individual. Teaching and leadership development programmes are delivered in-house and there are opportunities to mentor and support trainee and early career teachers, or to participate in coaching programmes.

An induction programme, staff buddies and an active staff committee all contribute to helping staff new to the school to find their feet. All staff are willing to share expertise, resources and ideas and are a great source of support.

We are committed to working in partnership with other schools, both within and outside our Trust. We encourage and support further learning and research and there are opportunities for specialist career progression and to work with and support other schools through networks and partnerships.

Staff regularly go the extra mile at Hayes to support students and to give their time to the broad extra-curricular programme, which includes sports, music, drama and a host of trips, exchanges, clubs and other activities.

We are a friendly team of teachers and associate (support) staff and look forward to welcoming you to our school.

The Impact Multi Academy Trust

Hayes School joined with Ravens Wood School in April 2017 to form the Impact Multi Academy Trust.

In September 2022, our trust merged with Langley Park Learning Trust to form a new trust of seven schools (Clare House Primary School, Hawes Down Primary School, Hayes School, Langley Park Primary School, Langley Park School for Boys, Langley Park School for Girls and Ravens Wood School).

It is rare to see two high performing, like-minded trusts come together in the interests of providing better and more sustainable education and care for all of the children in their schools and community, but we believe this is what the Impact Multi Academy Trust is.

Our schools are popular and high performing, serving the same community. They are also driven by a commitment to improving even further to deliver the very best education, care and life chances for all children. We are driven by educational and moral purpose as well as enlightened self-interest. We want all schools within the Trust to retain their identity and compete, but also to collaborate to provide an outstanding educational experience that impacts on the life chances of all students. This is reflected in our Trust vision, mission and values.

There is an African proverb "If you want to travel fast travel alone. If you want to travel far travel together." Together in collaboration, we will build on the strengths of all schools, address those areas that could and should be improved further, and travel both fast and far in the interests of all our students.

Working within a trust provides opportunities for support from a network of teachers and support staff across all our schools.

THE DRAMA DEPARTMENT

The Drama Department has a well established reputation for excellence across the local borough and beyond. There are two specialist Drama studios equipped with stage lighting and the school hall, which has a large stage.

All students at Key Stage 3 have one lesson of timetabled Drama each week. Courses are also available at Key Stage 4 and 5 with a typical uptake of 45-60 pupils for GCSE and around 15-20 a year taking A level. We are therefore seeking someone who is enthusiastic about Drama and Theatre Arts teaching and is willing to make a significant contribution to the strength of the department.

In 2023, 1 in 3 students attained Grade 7-9 at GCSE with 89% of students achieving at least a Grade 5. At A-Level, 45% of students achieved A*-B grades and 82% of all grades were at A*-C.

There is a strong tradition of successful school productions at Hayes School under our newly launched Hayes Creates brand. This brings together our mutually supportive performing arts departments (Music, Dance and Drama). Recent productions include *Oliver*, *Joseph, Guys and Dolls*, *The Great Gatsby*, *Urinetown*, *Les Misérables*, *Little Shop of Horrors*, *Ghetto*, *Oh What A Lovely War*, *Dr Faustus*, *Jesus Christ Superstar*. These involve up to a hundred students working on stage and behind the scenes, under the supervision of a team of staff. The Drama Department are also responsible for the annual KS3 Interhouse Drama Competition and work with the PTA to produce Hazefest; the school's annual one day outdoor arts festival featuring current and former students and staff. In addition to this our A Level examination performances are public.

Liaison with teachers in others areas who make a valuable contribution to productions is essential and the Productions Committee meets regularly.

GCSE and A Level Drama offer students the experience of a wide range of performance and technical skills. Good lighting and sound facilities are available in the studios and main school hall, which has recently undergone a major digital upgrade, with students from the department's well established Tech Group supporting the majority of the school's performance events.

Applicants should possess suitable qualifications, and will demonstrate a commitment to educational drama as well as a clear understanding of Drama as a performance art. The successful candidate should be prepared to be involved with extra-curricular activities, and work successfully as part of a team.

This is an exciting opportunity for a dedicated and enthusiastic teacher who is committed to the promotion of Drama within Hayes School.

THE DRAMA CURRICULUM

Through curriculum and extra-curricular **Drama** we strive at Hayes to create an **open-minded and experimental community**, unafraid to **take risks** and **explore the essence of human behaviour** through process and performance.

Over 3, 5 or 7 years of study, we focus on developing our students' **interpersonal, teamwork and performance skills**; developing their ability to **communicate confidently, sensitively and with flair**. The attributes of the Hayes Learner – Independence, Creativity, Communication, being a Team Player and being Reflective – are explicit in the learning of our students at all Key Stages; as a department we believe that Drama has a vital role to play in the SMSC development of all students.

We expose our students to excellence through a department of experienced subject-specialists, regular professional **workshops**, theatre visits and **in-house productions** that always look to redefine the audience's traditional expectations of a "school play".

It is our intention that students who leave us after 7 years of study should not just understand the impact major theatre practitioners have made on the arts and society as a whole, but have the potential to **be** the **theatre practitioners of the future**.
