# HAYES SCHOOL

Autumn Term  
2024

# Enrichment at Hayes School

*We are pleased to share details of our enrichment programme for the Autumn Term 2024.*

Enrichment clubs offer a fun way to make new friends while trying new activities and developing new skills. As well as being enjoyable, participating in extra-curricular activities will help you become more involved in wider school life. They will help you to develop yourself as a Hayes Learner.

Enrichment is any activity which takes place beyond students' timetabled lessons to enrich their learning and build cultural capital.

We offer a range of different activities across many different subjects. The majority of these activities take place after school, however there are some which take place before school and during lunch time.

# Monday
